Morse Hill Ski & Ride Release Form

Fill out and return to Morse Hill

All equipment should be tested and maintained at the beginning of each year. Please wear a helmet!

MH Ski & Ride programs are for those in reasonably good health as skiing, snowboarding and lessons can be strenuous and dangerous. I, as a participant, or as a parent/guardian of a participant, desire voluntarily to participate or have my child participate in this program. I understand participation is at my own risk or my child's own risk and although safety is the highest priority at MH Ski and Ride, there is a risk of physical injury that they or I must assume.

My child or I may also be transported in MH's vehicles or with volunteer drivers at my own risk or my child's own risk and are required to wear seat belts.

I recognize the inherent risk of injury associated with skiing, snowboarding and lessons and I agree to assume that risk for my child or myself. **I further agree to follow all of MH's safety instructions and the rules of the ski area. All participants must wear their pass and emergency information, always ski and snowboard within their ability, under control, and not alone. We reserve the right to take away your child's free skiing/boarding privileges if he/she is not adhering to those rules.**

I hereby, for me or my child, as well as for my or his/her heirs, executors and administrators, waive and release any and all rights, claims, and courses of action for any damages me or my child may have sustained against MH Ski and Ride, Victoria Shaw and any instructors working for them, and any parent volunteer, for any and all injuries suffered by me or my child while participating in this program, as well as for the cost and/or type and quality of medical care resulting from any injuries sustained as outlined above.

In the event of illness or injury, consent is hereby given to provide emergency medical care, transportation, hospitalization or other treatment, which may become necessary. Participants must be covered by health and accident insurance during the time of their participation.

I understand that failure to answer this questionnaire in a full and comprehensive manner could affect my child's or my own safety as well as that of others, and therefore I affirm that the information herein is accurate and complete. I have fully informed MH Ski and Ride of any pre-existing medical or emotional conditions.

Intending to be legally bound, I have executed this release of claims on _____.
